THE WHOLE SPACE

Flooring, bathrooms and kitchens. One considered direction for the spaces you use every day.

01 / DECORATIVE FLAKE

A fresh start for your garage.

A balanced blend of color and texture gives an everyday space a cleaner, more finished look.

01 **Choose the look**

Explore chip colors and the level of visual texture.

02 **Plan the preparation**

Review the existing slab, repairs and coating options.

LOOK CLOSER

Fine texture.

A coordinated palette.

A more complete space.

02 / METALLIC FINISH

Make the floor the feature.

Depth. Movement. Character.

Flowing silver and graphite tones create a bold visual statement. Explore a metallic look that complements the rest of your space.

LET THE SPACE GUIDE THE FINISH

Discuss color, sheen, lighting and the coating system suitable for your floor.

03 / COMMERCIAL SPACES

A good first impression starts here.

Give a showroom, reception area or client-facing space a cohesive foundation. A restrained resin finish lets the room, the products and your brand take the lead.

01 **Consider the use**

Discuss everyday traffic, care and the activity in the space.

02 **Coordinate the details**

Balance the floor with lighting, walls and furnishings.

OUTDOOR / PATIOS & PORCHES

Take the finish outside.

AN OUTDOOR-READY SYSTEM

Choose a coating system suited to sunlight, moisture and the condition of the concrete.

TEXTURE / COLOR / CONTINUITY

Explore decorative flake finishes and a surface texture appropriate for outdoor use.

CLICK-LOCK / LVP & SPC

A floor that clicks.

The warmth of a wood look, with a fresh range of tones and plank styles. Explore rigid-core luxury vinyl flooring and a floating click-lock installation for your space.

01 **Choose your style**

Light, natural or deeper wood-look tones.

02 **Get the details right**

Plan the subfloor, plank layout, transitions and finishing trim.

LVP offers a wood-look alternative.

WOOD / RESTORE & REFRESH

Bring the grain back to life.

A new chapter for the floor you have.

Refinishing starts with understanding the condition of the existing wood and the finish you want to achieve.

01 **Assess the surface**

Review wear and the suitability for refinishing.

02 **Explore the finish**

Discuss color and sheen for the next chapter.

BATHROOMS / EVERYDAY CALM

Make room for a little calm.

Bring the shower, vanity and flooring together in a room that feels considered from every angle. Light finishes and clean lines create room to breathe.

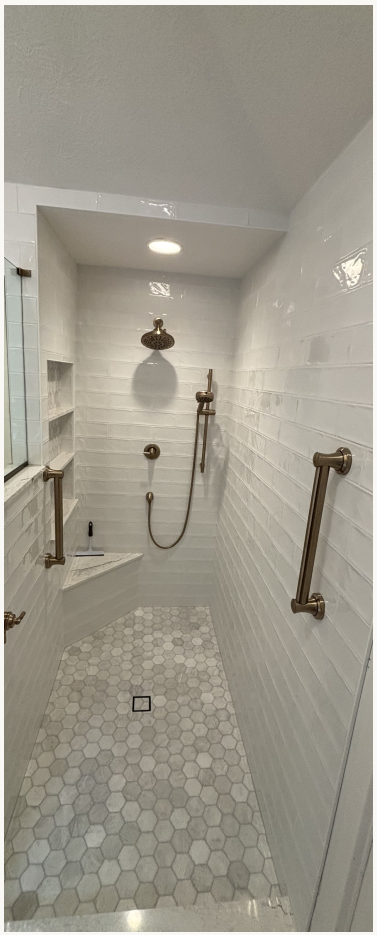

- Glass & tile
- Vanities & storage
- Coordinated finishing details

BATHROOMS / MATERIAL & MOOD

The details make it yours.

A palette with personality.

Warm metals, thoughtful lighting and layered surfaces can change the feel of a bathroom. Explore a look that connects beauty with your daily routine.

KITCHENS / LIGHT & FUNCTION

The heart of home. Reimagined.

A kitchen should work beautifully for the way you live. Bring a fresh perspective to the layout, cabinetry, worktops and the finishes that tie them together.

A clear material direction.

Practical places to work.

Details that feel connected.

KITCHENS / SPACES TO GATHER

Designed around everyday life.

A connected space.

An island to gather around.

A backsplash with texture.

Lighting that brings the room together.
